

Josef Haeuser

Junior Policy Officer

Josef Haeuser is the Junior Policy Officer of COCERAL, EUROMALT and UNISTOCK Europe and he joined the office in November 2023.

He supports the Directors of Trade, Logistics and Agri-policies with their work while also assisting the rest of the team.

Before coming to Brussels, he studied Agricultural Economics in Halle (Saale) and will soon receive his Master's degree. In addition to his studies, he has worked as a research assistant in various institutes and, most recently, as a working student in an agricultural consultancy in Leipzig, Germany. He received his Bachelor's degree in Agriculture from the Humboldt University of Berlin.

He is fluent in German and English.
